

ABOUT ALLENHOUSE

Allenhouse Group of Institutions, established in 2009, offers B.Tech, MBA, BBA, BCA, and MCA programs affiliated with AKTU and CSJM University, and approved by AICTE. The institution was envisioned as a hub for technical and professional education.

It operates under the Superhouse Education Foundation (SEF), part of the globally renowned Superhouse Group, India's top leather exporter. The strong industry connect is reflected in its recruiters' network, which includes top companies like TCS, Infosys, Wipro, HCL, Tech Mahindra, Axis Bank, Byju's, Jaro Education, and many more.

Recognized nationally, Allenhouse has received the Industry. Academia Interface Award at the World Education Summit and the Best Academia-Industry Alliance Award by Education World. Allenhouse Business School has also been ranked 1st in Uttar Pradesh among Top Emerging B-Schools by the Times B-School Ranking Survey 2025.

ICMLCS 2025

Bridging Mathematics Logic & Computer Science

The Allenhouse Institute of Technology, Kanpur, hosted the 2nd International Conference on Mathematics & Logics in Computer Science, bringing together eminent scholars and professionals from IITs, ISI, IISc, DRDO, JNU, MNNIT and more for a vibrant exchange of ideas. The conference featured keynote addresses, technical sessions, and discussions spanning cybersecurity, digital signatures, tensor computation and the philosophy of mathematics, reflecting its interdisciplinary spirit. ICMLCS 2025 strengthened collaborations between mathematics, logic and computer science, advancing research that will shape the future of technology and innovation.

Felicitation Ceremony

Celebrating young minds that dare to dream, research, and achieve! Allenhouse takes immense pride in its bright achievers. This grand felicitation marks the beginning of many more milestones and inspiring journeys to come.

CLUBS CULTURE

Convocation Ceremony: Caps in the Air, Dreams in The Sky

A wave of pride and achievement swept across Allenhouse Group of Institutions as it celebrated the 12th Convocation for B.Tech and the 3rd Convocation for MBA & Diploma graduates of Batch 2024. The ceremony was not only about receiving degrees but also about honoring years of dedication, resilience, and determination.

With confidence in their hearts and visions set on the future, the graduates now step into a world of opportunities and challenges. This milestone marks the end of one journey and the powerful beginning of another filled with promise, growth and success.

Student Orientation Programme

Allenhouse Group of Institutions warmly welcomed its new batches of B.Tech, BBA, BCA, MCA, and MBA students through a series of engaging Orientation Programs. These sessions introduced students to the institution's vision, mission, and core values while highlighting academic roadmaps, technical training, and placement opportunities. Inspiring talks by Directors, industry experts, and alumni motivated students to dream big and achieve excellence. Faculty introductions, interactive sessions, and club overviews further enriched the experience. The programs created an atmosphere of curiosity, enthusiasm, and confidence – marking the beginning of a transformative journey of learning, innovation, and grow.

A Night of Rhythm, Energy and Soul – Subhadeep Live

The night came alive with thunderous cheers and unbridled energy as Indian Idol sensation Subhadeep Das Chowdhury set the stage on fire at EXUBERANCE-25. With a voice that touched hearts and a magnetic aura that commanded the crowd, he transformed the evening into a breathtaking spectacle.

Every soulful note, every high-energy performance kept the audience spellbound, creating an atmosphere where music and magic became one. RJ Mayank and RJ Sugandha joined the celebration, amplifying the thrill of the night.

It was not just a performance—it was an unforgettable symphony of passion, talent, and pure entertainment.

Guest Lectures : Unlocking Perspectives, Inspiring Journeys

Guest lectures at Allenhouse Group of Institutions provide students with invaluable insights from industry leaders and academic experts. These sessions bridge the gap between theory and practice, exposing learners to real-world experiences, emerging trends, and professional journeys. Such interactions not only inspire but also prepare students to face future challenges with confidence and vision. They play a vital role in broadening perspectives and shaping well-rounded professionals.

A Celebration of Sportsmanship & Spirit

OORJA, the annual sports event of Allenhouse Group of Institutions, is a celebration of energy, enthusiasm, and excellence. It provides students with a platform to showcase their athletic skills across various indoor and outdoor games. More than just competition, OORJA reflects the spirit of teamwork, discipline and true sportsmanship that defines the Allenhouse spirit.

Achievements

Our college has been a beacon of innovation, consistently earning media recognition. We've been featured in newspapers for projects that address real-world challenges, such as the development of self-healing concrete for durable infrastructure. Additionally, our students' creation of a blockchain-based Aadhaar Security System has been lauded for its contribution to safeguarding national identity. These achievements underscore our commitment to excellence.

इस कंक्रीट से बनाएं घर की दीवार, दरार आई तो खुद ही भर देगी

अजितेक सिंह

कानपुर। दीवारों में अने वाली दरारों से परेशान हैं तो भिना छोड़ दीवारें। अब दीवार का छत बनने के लिए कानपुर की विशेष कंक्रीट का इस्तेमाल करें। दरार आई भी तो खुद ही भर जायेगी। इस विशेष कंक्रीट को एलेन हाउस इंस्टीट्यूट ऑफ टेक्नोलॉजी के छात्र-छात्राओं ने विकसित किया है। इस कंक्रीट का उपयोग प्रयोगशाला में सफलतापूर्वक किया जा चुका है। यहाँ, फास्ट प्रोजेक्ट के रूप में इसका सफल ट्रायल कमेटी में भी किया जा चुका है।

संस्थान के सिल्वर इंजीनियरिंग विभाग के हेड प्रवीण साधु की देखरेख में कंक्रीट छात्र आराना गुप्ता, निरु धंसल, बालिका सिंह व वीरेंद्र कुमार ने यह विशेष कंक्रीट तैयार की है। इसको बनाने में छोटे-छोटे कैप्सूल का इस्तेमाल किया गया है। जो दीवार या छत बनते समय कंक्रीट के साथ

इस्तेमाल होंगे। इस कैप्सूल में विशेष रसायनक एजेंट और बैक्टीरिया का इस्तेमाल हुआ है। प्रयोग ने बताया कि दरार भरने पर

कंक्रीट का फ्रैक्चर हो जाते हैं और फैलियम फाईबर उभरने लगते हैं। जिससे दीवारों को दरार भर जाती है और इससे मजबूती बढ़ती है। यह

कंक्रीट का फ्रैक्चर हो जाते हैं और फैलियम फाईबर उभरने लगते हैं। जिससे दीवारों को दरार भर जाती है और इससे मजबूती बढ़ती है। यह
