

Allenhouse Group of Institutions, established in 2009, offers B.Tech, MBA, BBA, BCA, and MCA programs affiliated with AKTU and CSJM University, and approved by AICTE. The institution is envisioned as a hub for technical and professional education.

It operates under the Superhouse Education Foundation (SEF), part of the globally renowned Superhouse Group, India's top leather exporter. The strong industry connect is reflected in its recruiters' network, which includes top companies like TCS, Infosys, Wipro, HCL, Deloitte, Fable Street, Amber, Jaro Education, and many more.

Recognized nationally, Allenhouse has received the Industry Academia Interface Award at the World Education Summit and the Best Academia-Industry Alliance Award by Education World. Allenhouse Business School has also been ranked 1st in Uttar Pradesh among Top Emerging B-Schools by the Times B-School Ranking Survey 2025.

ABOUT ALLENHOUSE

ICCNSML 2025

Bridging Cryptology & Network Security with Machine Learning

Allenhouse Institute of Technology, Kanpur hosted ICCNSML-25, bringing together eminent academicians, researchers, and industry experts for discussions on cryptology, cybersecurity, and machine learning. Distinguished speakers from IIT Kanpur, DRDO, and global institutions shared insights on secure and intelligent systems, fostering interdisciplinary collaboration and reinforcing Allenhouse as a hub for research, innovation, and academic excellence.

Inaugural Ceremony

Podcast: Prof. Nitin Saxena, IIT Kanpur

Online: Prof. Boaz Tsaban, Bar-Ilan University, Israel

ICHIS 2026

International Conference on Human Capital, Innovation and Sustainability

ICHIS-2026 at Allenhouse Institute of Management, Kanpur marked a strong beginning with engaging discussions on Human Capital, Sustainability, and AI-driven transformation.

The conference brought together global academicians and thought leaders who emphasized people-centric leadership, ethical innovation, and the integration of technology with societal impact.

Inaugural Ceremony: Lamp Lighting

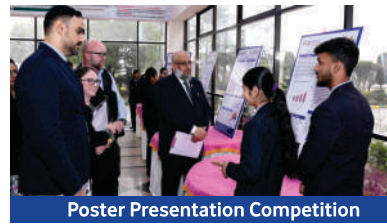

The sessions highlighted the evolving role of management education in nurturing resilient, future-ready leaders, setting the stage for meaningful dialogue and global collaboration.

Felicitation Ceremony: Dr. Hamood Amur Al Wardi

Podcast: Dr. Cassandra Elrod

Poster Presentation Competition

Prof. Raj Kumar Mittal

HACKATHON 2.0

Hackathon 2.0 at Allenhouse Business School, Kanpur emerged as a dynamic platform for innovation and problem-solving.

With participation from 57 teams across 11 institutions, students tackled the theme “Digital Blood Donation Network”, developing solutions to enhance emergency response and donor connectivity.

The event was graced by Prof. Prabhat Verma (HBTU) and institutional leaders, inspiring participants to innovate for societal wellness.

BUDGET PE CHARCHA

Allenhouse Institute of Management organized “Budget Pe Charcha” as a platform to analyze and understand the Union Budget 2025.

Bringing together experts from academia and industry, the session focused on key policies, economic reforms, and their implications on business, education, and society. The discussion encouraged critical thinking and informed perspectives, enabling students to connect financial decisions with national growth and development. The session bridged policy with practice, offering real-world insights into India’s economic roadmap.

REETH-25 THE FRESHER’S PARTY

Reeth 2025 at Allenhouse Group of Institutions was an unforgettable evening filled with glamour, energy, and vibrant celebrations as the newest batch was warmly welcomed. The event featured dazzling performances, high-energy dance acts, soulful music, and an electrifying fashion show, showcasing the remarkable talent and enthusiasm of students. Adding to the excitement, two exceptional personalities stole the spotlight with their confidence and charisma: Mr. Reeth – Shivansh Rastogi and Ms. Reeth – Bushra Tauqeer, Their outstanding stage presence truly defined the spirit of the evening.

Reeth 2025 celebrated new beginnings, youthful energy, and the vibrant Allenhouse culture that brings students together.

ALLENOURCE 4.0

Allenhouse Group of Institutions proudly hosted AllenOource 4.0, its flagship HR symposium, in collaboration with HR Success Talk, uniting eminent HR leaders to explore the evolving role of human resources in a digital-first era. Engaging insightful panel discussions and an interactive dynamic open house enabled students to understand corporate expectations, hiring trends, and practical talent strategies. It reinforced our commitment to strong industry–academia collaboration and developing future-ready professionals.

Inaugural Ceremony- Exuberance 26

Gala Night Performance

A Night of Rhythm, Energy and Soul – Trippin Jammers Live

Allenhouse Group of Institutions successfully hosted EXUBERANCE 2026, a four-day Techno-Management, Cultural, and Sports Fiesta from 07–10 February 2026.

Featuring 22 diverse events, the fest provided platforms for students to showcase technical expertise, managerial skills, creativity, and sporting excellence, with five flagship inter-college competitions attracting participation from institutions across the region.

The celebration commenced with OORJA, the sports fest, setting the tone for four days of high-energy competitions, innovation, and performances.

The fest culminated in a spectacular Celebrity DJ Night by TRIPPIN JAMMERS, whose electrifying performance turned the grand finale into an unforgettable experience.

EXCELLENCE AT NATIONAL LEVEL

Allenhouse Group of Institutions continues to set benchmarks in innovation and excellence, earning consistent recognition across academic, technical, and entrepreneurial platforms. Our students have demonstrated outstanding capability through achievements such as national-level competition wins, AI innovation accolades, and the development of impactful solutions like the Solar Bag—an eco-friendly charging system for modern needs. These accomplishments reflect our strong emphasis on practical learning, research-driven thinking, and industry-relevant skills, reinforcing Allenhouse as a hub of excellence and future-ready education.
